Section 2: Expanded Expression of Interest Overview

The E-EOI must include an expanded four-page overview, using Times New Roman, 12-point font, and 1" margins. Elaborate on the initial proposal in greater detail:

1. **Innovative Research or Technology:** Briefly describe the proposed program(s). Showcase the innovation, feasibility, and global competitiveness. Demonstrate a bold approach to tackling pressing challenges.
2. **Diverse Expert Team:** Briefly explain how the diverse team (outlined on the cover page) encompass a wide range of expertise necessary to drive forward the innovative program(s). Highlight the synergy between different fields of expertise and, as appropriate, emphasize UM's commitment to multidisciplinary collaboration.
3. **Essential Infrastructure:** Briefly summarize the substantial components vital for the proposed program(s). Emphasize how these elements are not just necessary but ground-breaking, underscoring UM's willingness to take significant risks in pursuit of transformative research. Include any anticipated major construction and/or renovation plans.
4. **Anticipated Benefits:** Briefly highlight the expected outcomes, emphasizing the need for impactful social, health, environmental, and economic benefits to improve the lives of Canadians and beyond.
